Privacy Policy

Daticum respects and is dedicated to protecting your privacy. This document will explain our policies in regarding to collecting, using and disclosing your information. By submitting your personal information you agree to the terms of this policy.

Why we collect your personal information:

We collect your personal information to provision services, process remuneration for the services, and to support your equipment and solutions.

How we collect your personal information:

The information we collect is the account information you provide to us via the written contract and email/ticket correspondence. We do not partake in tracking cookies, and other web identifiers to gather your information.

CONFIDENTIALITY

Information related to the content and implementation of the contract between the Provider and the Client is confidential and they are obliged to keep it as well as not spread it or brought it to the knowledge of third parties. Except in cases such as:

- To collect or process payments.
- In response to official inquiries from the Bulgarian Government and Judicial system
- To prevent any illegal activity including threats made to Daticum and employees
- To any entity which acquires majority control of Daticum.
